

## Slow Walking DMC • Basque Country • Spain

Hiking Tours and Pilgrimages  
Tailor-made Walking Travel Experiences

# About Slow Walking

- ❑ Slow Walking was established in 2012 in **San Sebastián**, a city located in the Basque Country where the Pyrenees mountains emerge from the sea.
- ❑ Our staff is composed by a small group of professionals, and we like to think of ourselves as “**hiking artisans.**”
- ❑ Our products offer you **a unique mix of** walking, knowledge of the land, culture and gastronomy.

# About Slow Walking

- ❑ We offer **quality** and **customised attention**.
- ❑ Our business is not only about walking. We also strive to learn as much as possible about the climate, vegetation, landscapes, people, culture, customs, gastronomy and local traditions of the lands we traverse.
- ❑ We will take care of your luggage, catering, accommodation, visits and you will only have to concentrate on walking.

# What can we offer you?

- If you run a travel agency and require support for your customers in Spain, we are available to help you.

We are specialists  
in our territory

We are specialists  
in nature and culture

We are specialists  
in walking tours

# What can we offer you?

A team composed by specialists with decades of experience working in their field.

We offer you the opportunity to authentically experience the places we visit by exploring the landscape, chatting with local people, staying in local lodges, and eating local products.

We have chosen to include services in our routes that provide an added nooverall value both to the trip and to the traveller. Moreover, all the suppliers have been carefully selected and are fully committed to preserving our environment.

We know how to adapt every trip to the needs of each person or group.
